

ATTENTION: ALL JENNINGS FAMILIES

The 5th Grade Moving Up Committee is proud to announce a new fundraising opportunity called **Scrip** that involves no selling, yet it benefits Jennings Families as well as our 5th graders. With the holiday season approaching, now is the best time to take advantage of this exciting new program!

What is Scrip?

Scrip is Fundraising While You Shop®. In other words, **Scrip** is just another way to pay for everyday purchases using gift cards in place of cash, checks, and credit cards. The gift cards also make wonderful presents for holidays, birthdays, and other special events!

Scrip gift cards are the same gift cards that you can purchase from the retailer or from kiosks in our local stores. The difference is that by buying them through our School Scrip Coordinator, you help us earn money for our 5th graders. **We earn money with each gift card you purchase!**

With over 700 of the country's biggest retailers, including grocery and department stores, gas stations, restaurants, hotels, and home improvement chains where you already shop, **Scrip** has something that appeals to everyone!

Everyone Benefits!

- Shop in-store or online with participating retailers.
- Use gift cards to pay at checkout, just like a credit or debit card, but without the fraud risk.
- No selling or unnecessary spending.
- Families spend their planned household budget at stores they already frequent.
- Everyday family purchases become everyday earnings for our organization.

How It Works

You pay face value for the gift cards you order. Our School Scrip Coordinator then confirms your order and purchases the gift cards from a company named **Great Lakes Scrip** at a discount that is 1-13% less than face value (varies by retailer). The difference between face value and what our organization pays is instant money for our 5th Graders. You don't have to pay for anything that you don't need. *It's really that simple!*
