

Jennings School Loves to Read!!!

2019 Jennings School Reading Incentive Program!

We're looking to score another goal with this year's reading incentive program! This month-long, incentive-based reading initiative encourages students to make reading a part of their everyday lives. The goal of the incentive is to promote literacy and a lifelong love of reading.

All Jennings students from kindergarten to fifth grade are encouraged to participate. The program will start on Monday, March 4th and continue through Sunday March 31st.

The following weekly reading goals are listed below:

- Kindergarten – 50 minutes per week
- 1st Grade – 75 minutes per week
- 2nd Grade – 100 minutes per week
- 3rd Grade – 125 minutes per week
- 4th Grade – 150 minutes per week
- 5th Grade – 150 minutes per week

**All minutes spent reading at home during the week
and on weekends can be included!**

Students will track their reading minutes each day and report their total weekly minutes to their teacher **each Monday** from the previous week. Please use the Tracking Sheet for your convenience and the Weekly Reading Report Sheet that should be handed in each Monday. These forms will be on the Jennings PTA website on the front page and can be found in the Monday Memo each week. Copies of the forms will be sent home to students prior to kick off.

It is our hope to have 100% participation of all students in our reading incentive program. Those students who reach the grade level goal half way through will earn a free ticket to the Sound Tigers game Sunday March 24th. If the school earns their goal all students will receive a prize at the end! Thank you very much for your continued support!

Happy Reading,

Tara Hyder and Monica Schaper
